Challenge of Practice	Challenge of Practice
If we build the capacity of teachers to implement targeted differentiated teaching of reading based on the Big 6 then we will increase student achievement in reading across the whole school.	If we develop and implement a common, evidence based approach to the teaching of writing across the curriculum, then we will increase student achievement in Writing.
Actions	Actions
All teachers will intentionally plan and explicitly teach in order to provide appropriate stretch and challenge for all students through: <ul style="list-style-type: none"> o Differentiated teaching o Multiple exposures o Feedback o Metacognitive strategies 	All teachers will intentionally plan and explicitly teach in order to provide appropriate stretch and challenge for all students through: <ul style="list-style-type: none"> o Differentiated teaching o Multiple exposures o Feedback • Metacognitive strategies
All teachers will use explicit teaching to provide instruction, demonstrate concepts and build student knowledge and skills in reading.	Teachers will use formative and diagnostic assessment strategies to monitor and accelerate student progress in writing.
All teachers will use formative and diagnostic assessment strategies to monitor and accelerate student progress in reading.	Teachers will engage in internal and external moderation of writing.
All teachers will plan and rigorously implement The Australian Curriculum :English using the scope and sequence and units of work with a focus on reading comprehension	
Success Criteria	Success Criteria
Every student can describe learning intentions, goals and success criteria and the next steps in achieving growth based on the achievement standards for their year level. All students read texts of increasing complexity to make literal and implied meaning.	Students will articulate writing goals and success criteria for the texts they are creating. Students will plan, draft and publish imaginative, informative and persuasive texts, using text structures, language features, images and digital resources that suit the purpose and audience.
